

coulisse

Since 1992 Coulisse has designed, produced and sold window decorations for a growing circle of international clients. It supplies a huge variety of components for window decoration ranging from wooden blinds to roller blinds and from vertical to pleated blinds, as well as standard size window decoration - always meeting top quality requirements. Furthermore, its flexible approach means that Coulisse can easily react to trends or even launch new trends. Our quick, accurate delivery means that customers can always respond to the latest demands. Production is mainly in the Far East.

Sales Manager Turkey

As Sales Manager you are responsible for all sales activities as well as for further expansion and development of the market in Turkey. You will visit customers and prospects in order to establish a stable relationship and to boost sales. As Sales Manager you detect opportunities in the market and know how to turn them into revenue.

You are responsible for the turnover and profit in your defined sales area. Apart from these results a high level of customer satisfaction is a main concern. You are supported by your colleagues from internal sales and accountable to the Export Manager Components.

Job requirements

Education at Bachelor or master level and at least three years of experience as a sales representative, targeting wholesale customers. Excellent verbal as well as written communication skills in Turkish and English. In possession of driver's license. We are looking for a customer-driven, analytical, self-managing, ambitious and decisive personality, who is willing to frequently travel in Turkey and occasionally travel internationally.
